DONIS MALDONADO,

Defendant.

Stipulation and Order To Modify
Conditions of Pretrial Release

The parties to this matter, by and through their respective counsel, hereby stipulate as follows:

1. Mr. Maldonado's conditions of release require that a radio frequency (RF) transmitter device be attached to his person.
2. The Pretrial Services Office (PTS) has advised the parties that Mr. Maldonado's approved residence has issues with cellular reception which prevent the RF device from functioning properly. PTS suggests that a GPS tracking device will function more effectively.
